11. Funding: [Colin Opseth](#)

- a. We have 4 Goals for budget spending, those goals are to help students meet student graduation.
 - . Technology
 - i. Curriculum

- ii. Staff
- iii. Facility
- b. LCAP Budget is \$2.1 M. We have a supplemental income \$662K
 - . We've spent about 50% of our budget. Which is normal for a school. Thinking about investing more technology for the school.
 - i. In talking with the principals we have talked about buying: student laptops, hotposts, headphones, smartboards (purchase orders are currently with IT already)
- c. Title 1 funding we spent 82% of our budget. We can carry over 15% to the school year.
 - . We don't foresee that we will be taking over any of that funding.
 - i. Next year we won't be using funds for targeted students, we will be focusing on making sure all funds have accessibility to things like literacy.
- d. Extended Learning Opportunities Grant \$621K, we have only spent about \$40K which is a supplementary that we have 4 years to spend. This grant has allowed us to to bring on additional staff.
 - . The goal is to keep those support staff around.
- e. Educator Effectiveness Block Grant: \$120K this is to help out our staff.
 - . Multi year plan
 - i. Professional learning community.

12. Parent Expectations

- a. How do we help students recover from COVID blues?
 - . By making sure school stays open, the hybrid model

works, students can come in up to 3 days a week.

b. How do we help them engage back into school work?

. By bringing back sports and other activities.

13. Student Recognitions: Kevin Arnold & Brittney Calderon

a. Rialto: Adrian Carrillo credit wise , he turns in about 9 credits every LP. He also does Karate on the side, he's doing really well. So proud of Adrian
