How to be informed about events at the school? They would like to be more in the loop

Advanced calendar of events

Conversation with counselor - Care Solace - Agenda request Details on school and staff hours

Parents/guardians then shared what they like about us: 6:00 - 6:08 pm

- Angel's aunt is able to come on site and participate in events and have his voice be heard and she is able to send him to a safe environment for someone who has had a tough life.
- She also added that if/when you show up or call - no matter what the teachers, counselors, and admin are able to help and drop everything to help right away.
- Families were sharing that they were glad they were able to come to meeting and learn about all the stuff going on, hoping for more school events and trip and they would like more parent nights - they really appreciated the opportunity to be there and be heard
