III. LCAP Presentation & Consultation - Funding, Goals, and Actions

Hayley Mallozzi reviewed funding goals of LCAP.

There are 4 goals here to support your students succeed.

1. Increase Academic Progress
2. Students will gain skills for college and career readiness
3. Increase student retention
4. Increase educational Partner engagement

CA Community school partnership grant:

Arts and Music: we hired 3 art teachers recently with these grants.

IV. CTE and Dual Enrollment Registration

Cameron Noerr discussed and reviewed the CTE/DE program along with future goals.

CTE: This is where you would take a class with our school to help you with college credit. CTE is Career Technical Education.

Cameron: I'm going to be super simple. If you want to enroll in a college class, I can help you with that, you get credit in college and credit here. CTE, if you're interested in anything vocational, like welding or a trade, please come see me after if you'd like more information.

V. Current Grants

Sarah Sinopoli discussed the CCSPP grant and AMS grant along with staffing and budget allocation.

IX. Important Upcoming Events

School Counselor: Marcos Landin, thank you parents for sending your students to our campus. You have wonderful students. Please help keep on top of their academics. One of the main things I do is academic counseling. I can help you with job finding academic advising. We have a UCR field trip coming up. Another thing we offer is social emotional support. If you aren't feeling good, your student can come and see me. I can talk to them, or you can see Rachell, our school social worker. **Are there questions or comments? No comments** Thank you so much for showing up.

We have a few trips: We do check credit submission in order to be able to go on the field trip. We'll be going to watch Wicked. You can sing all you want. It's going to be close to us. All these field trips are free, stay on top of your credits.

Dance: formal dinner and dance.

Grad Bash: If you are a senior come see me. My goal is to have every single senior graduate this year. We have monthly workshops. FASA is next month. You must do your FASA as a completion step for graduation to receive your diploma.

College and Career: UCR and ropes challenge.

Soon we will be going to San Bernardino Valley College.
